

Tutoring Materials List

The material needs required to carry out an effective Tutoring Program (textbooks, etc.) are typically minimal, and are supplied by the school. However, below are a few materials that could potentially enhance the effectiveness of your Tutoring Program:

- Curriculum aides based on classwork
- Tools such as laptops
- Dictionaries
- Study materials
- Snacks and treats
- Pens and pencils
- Planners to help students organize
- Notebook paper
- Calculators
- Graph paper
- Folders and other organization tools
